Spring Wood

Briarside Cottage

BM 95.43m

95.4m

BALDOCK RD

NOTES

Works to be carried out:

1) Brambles in the larger area of the spinney including undergrowth in close proximity to the path will be strimmed down and removed to allow clearer, lower level views through the wood.
2) All ivy that is taking over in the canopies of the trees will be ringed and allowed to die back
3) All dead trees will be taken down and removed
4) Small sycamore sapling will be cut down and chipped on site, many of these are growing along the ditch and should be removed to allow free drainage.
5) Larger Sycamore trees will be carefully removed
